

SEGUE INSTITUTE FOR LEARNING

Where ALL Students are “AT PROMISE”

Staff Matrix 2020/2021 – Updated August 2020

Mission Statement - The mission of the Segue Institute for Learning is to foster a community where students take ownership of their education. Segue scholars receive a rigorous academic experience that prepares them to excel in the high school and eventual college setting of their choice. At Segue, we believe that all of our students are “AT PROMISE”, versus being labeled At Risk. The Segue Institute for Learning is a safe and nurturing environment which promotes diversity, encourages individual growth and allows students to view themselves as citizens of change in their homes and community.
